To the Youth Club Secretary

Dear Sir / Madam

I am writing to you on behalf of the above committee to request if possible a donation towards the costs for the 2009 Reciprocal tour of New Zealand.

As you can appreciate costs have risen over the years but with your help of either a monetary donation or a prize for our FAREWELL RAFFLE the costs for the tour would be lowered.

This tour instills in all the children a respect for different cultures, pride in representing their country. Their integrity allows the children to treat all people with patience and dignity as guided by the Code of Ethics.

The children who participate in these tours return with confidence and often play a major role in their youth clubs as helpers and examples to younger members.

Yours sincerely

Ann Bowden
